NOW, THEREFORE, Declarant does hereby declare as follows:

A. The Neighborhood shall be and is hereby annexed into and made subject to all of the terms, conditions, restrictions, stipulations, assessments, liens, and the provisions of the Original Declaration and the jurisdiction of the Association as if originally included therein as a part of the "Initial Property," except that the Neighborhood shall not be considered as part of any Neighborhood created within the Initial Property. All capitalized terms used herein which are not otherwise defined herein shall have the meanings set forth for such terms in the Original Declaration.

B. The Neighborhood shall be held, transferred, sold, conveyed, used and occupied subject to the covenants, restrictions, easements, charges and liens set forth in this Supplemental Declaration, in addition to those contained in the Original Declaration.

C. The land subject to the Plat shall hereafter be known as GREEN TRAILS, SECTION SIX, a "Neighborhood" within Green Trails, Phase II. 2ed

D. The Owners of Lots within the Neighborhood shall have the right and are hereby granted non-exclusive, common easements in and to the use and enjoyment of the Common Properties and Common Facilities now or at any time hereafter owned by the Association and subject to the Original Declaration (as amended and supplemented), and Declarant hereby grants to the Owners and Occupants of all Lots covered by the Original Declaration, now or hereafter, a non-exclusive easement to the use and enjoyment of all Common Properties dedicated to the Association in the Plat, or separately conveyed to the Association, if any, and all Common Facilities from time to time existing thereon.

E. The Declarant, for each Building Plot owned within the Neighborhood, hereby covenants, and each Owner of any Building Plot in the Neighborhood by acceptance of a deed thereof, whether or not it shall be so expressed in such deed, is deemed to covenant and agree, that the Base Annual Assessments, applicable Neighborhood Assessments, if any, and Special Assessments, together with interest, collection costs and reasonable attorney's fees, applicable to each such Building Plot as provided in the Original Declaration shall be a charge on the land and shall be secured by a continuing Vendor's Lien thereon herein and hereby reserved and retained in favor of, and hereby irrevocably assigned over to, the Association.

F. All lands and Lots within the Neighborhood shall be and are hereby made subject to the following use limitations and restrictions in addition to those set forth in the Original Declaration and the following use limitations and restrictions are hereby created as covenants running with title to all land (or the

relevant specified portion or portions thereof) within the Neighborhood:

Section 1. WALLS AND FENCES.

(a) All fences or walls must be approved in writing by the New Construction Committee or the Modifications Committee, as the case may be. Each Lot must have Committee-approved fencing constructed thereon, not to exceed eight feet (8') feet in height, along and immediately adjacent to all rear and side property lines of such Lots, not to be constructed closer to the front boundary of such Lots than the building set-back along the front boundary of such Lots. However, with respect to corner Lots, such fencing will not be closer to the Lot boundary siding on the street than the applicable building set-back line established on the Plat. Specific guidelines for all fencing materials and styles for use on all Lots in the Neighborhood will be established and enforced by the New Construction Committee or Modifications Committee, as the case may be.

(b) In order to maintain the theme and character of the Properties subject to the Original Declaration in general, and the uniform plan and character of Crescent Green Drive in particular, all fences adjacent to Crescent Green Drive shall be maintained in the original style and location approved by the New Construction Committee unless a change is subsequently approved in writing in the sole discretion of the Modifications Committee.

Section 2. ROOFING MATERIALS. All roofs shall be composition shingles of a type and weight approved in writing by the New Construction Committee or the Modifications Committee, as the case may be, and shall be either weathered wood or gray in color.

Section 3. GARAGES AND GARAGE ACCESS.

(a) All garages to be constructed within the Neighborhood must be approved in writing by the New Construction Committee. All detached garages shall be no more than one story in height, and attached garages may be up to two stories in height. All overhead garage doors must be constructed of real wood or metal approved as to style and appearance by the New Construction Committee or Modifications Committee, as the case may be. No masonite, plywood or glass shall be permitted in overhead garage doors.

(b) The following Lots in the Neighborhood are specifically prohibited from having garage access from (i.e., driveway access onto) Marshall Oaks Way:

Green Trails Section Six: Block 1, Lots 1 and 34.

(c) Minimum setback lines for garage structures facing (or up to a forty-five degree (45°) angle away from) the street on which such Lot fronts in the Neighborhood shall be as follows:

(i) Setbacks from each front Lot boundary shall be fifty feet (50'); and

(ii) Setbacks from side Lot boundaries shall be five feet (5') for attached garages and for detached garages less than seventy feet (70') from the front Lot boundary line, and shall be three feet (3') for detached garages if the garage is seventy feet (70') or more from the front Lot boundary. However, with respect to garages on corner Lots, the overhead garage doors of which face (or are up to a forty-five degree angle away from) the side boundary of such Lot siding on such street, the set-back for the garage shall be the applicable building set-back line set forth on the Plat. No garage structure may encroach onto any dedicated utility easement.

(d) No attached garage in the Neighborhood shall have more than one (1) story of habitable space above the first story, and the first story shall be reserved and utilized solely for parking of motor vehicles.

Section 4. DRIVEWAYS. All driveways to be constructed within the Neighborhood must be approved in writing by the New Construction Committee or the Modifications Committee, as the case may be. The driveways must be at least ten feet (10') in width and be constructed of concrete or brick, but in all cases shall be in accordance with standards adopted by the New Construction Committee and the portion thereof between the Lot boundary and the curb line of the adjacent street shall in all cases be in compliance with all standards and specifications of all governmental authorities having jurisdiction.

Section 5. SIDEWALKS. Prior to the completion of construction of a Living Unit on any Lot in the Neighborhood, the Owner thereof shall construct (and at all times thereafter shall maintain) a sidewalk four feet (4') in width that shall (except in special circumstances approved in writing in the sole judgment and discretion of the New Construction Committee) extend from the front door of the Living Unit to the curb of the street at the front Lot boundary, to be composed of materials and in a configuration approved by the New Construction Committee.

Section 6. MINIMUM SQUARE FOOTAGE. The living area of each Living Unit in Green Trails Section Six (exclusive of open or

screened porches, terraces, garages and driveways) shall not be less than Two Thousand Five Hundred (2,500) square feet of living area, and no Living Unit of more than one story shall contain less than Two Thousand Nine Hundred (2,900) square feet of living area (exclusive of open or screened porches, terraces, garages and driveways).

Section 7. LANDSCAPING AND TREE PLANTING; IRRIGATION.

(a) All Landscaping Plans for Lots in the Neighborhood must be submitted to the New Construction Committee for approval. All corner Lots shall have a minimum of three(3) live trees at least four inches (4") in diameter planted and maintained in the front yard; all other Lots shall have a minimum of two(2) live trees at least four inches (4") in diameter planted and maintained in the front yard. All such trees that die shall promptly be replaced by the Owner of the Lot in question so as to be in compliance herewith. In order to maintain the theme and character of the Properties subject to the Original Declaration in general, and the plan and character of Crescent Green Drive in particular, each Owner from time to time of each Lot that adjoins the Crescent Green Drive right-of-way agrees and shall be bound as a covenant running with title thereto (i) to maintain and, from time to time if same dies promptly replace, any trees planted by Declarant on such Lot, or in the rights-of-way between said Lot and the curb of the adjoining streets, and (ii) to install and at all times maintain in working order an underground irrigation system for all parts of the lawn on such Lots that are visible from Crescent Green Drive.

(b) In addition to the above, all Owners in the Neighborhood shall be members of the street tree program to be established by the New Construction Committee, and shall be obligated to landscape and maintain their Lots in accordance therewith. The street tree program shall require all Owners to maintain, care for, and as necessary, replace trees planted by Declarant or the Association along street rights-of-way in the Neighborhood.

Section 8. CHIMNEYS. All exterior chimneys on the perimeter of Living Units in the Neighborhood shall be constructed of brick. All interior chimney chases (i.e., protruding through the roof of a Living Unit) must be of real brick or some other style and materials which have been approved in writing by the New Construction Committee or the Modifications Committee, as the case may be.

Section 9. REAR AND SIDE BUILDING SETBACKS. Except as provided in Section 3 hereof with respect to garages, no improvement (other than Committee-approved landscaping) may be constructed on any Lot in the Neighborhood closer than eight feet (8') from the rear property line of any Lot, or closer than five feet (5') from the side property line of any Lot, except that the building setback

along any side Lot line of any corner Lot that is the common boundary with a street right-of-way shall be as provided on the Plat. Existence of dedicated utility easements on Lots may further restrict a Lot Owner from building as close to a Lot line as the setbacks established herein may permit.

Section 10. DEVELOPMENT PERIOD. During the period of time that any Lots or Living Units located within the Neighborhood are being developed and marketed ("Development Period"), Declarant, with the right of assignment, shall have and hereby reserves the right to reasonable use of the Common Properties owned by the Association in the Neighborhood in connection with the promotion and marketing of land within the boundaries of the Property (as defined in the Original Declaration).

Section 11. INTENT AND AMENDMENT. It is the intent of Declarant that the covenants, conditions and restrictions provided for in this Supplemental Declaration apply only to the Neighborhood (i.e., Green Trails Section Six). Notwithstanding any provisions of this Supplemental Declaration to the contrary, it is also the intent of Declarant that the specific restrictions that are imposed on the Neighborhood only in and by virtue of this Supplemental Declaration (other than those in the Original Declaration that are, in whole or in part, repeated herein) may be amended by an instrument evidencing the written consent of both (i) seventy-four percent (74%) of the total votes of the Class A Members of the Association owning one or more Lots in Green Trails Section Six, and (ii) Declarant, as long as Declarant owns any part of the Property subject to the Original Declaration (by annexation or otherwise) or any Annexable Land.

Section 12. NEIGHBORHOOD ASSESSMENT. No specific Neighborhood Assessment is mandated by this Supplemental Declaration. Therefore, Owners of Lots within the Neighborhood may be assessed and are liable to pay a Neighborhood Assessment in addition to the Base Annual Assessment only if levied by the Association's Board of Directors in accordance with a ninety percent (90%) vote of Neighborhood Members as provided in Article II, Section 6 of the Original Declaration.

Section 13. AGREEMENT. Each Owner of a Lot in the Neighborhood by such Owner's claim or assertion of ownership or by accepting a deed to any such portion of the land in the Neighborhood, whether or not it shall be so expressed in such deed, is hereby conclusively deemed to covenant and agree, as a covenant running with title to such Lot, to accept and abide by this Supplemental Declaration as well as all restrictions, obligations, requirements and liabilities set forth in the Original Declaration.

This Supplemental Declaration shall remain in full force and effect for the term, and shall be subject to the renewal and other provisions, of the Original Declaration.

Barker Venture, Ltd., a Texas limited partnership ("Barker Venture"), is the sole owner and holder of certain liens against all of the real property comprising the "Neighborhood" described in the attached and foregoing Supplemental Declaration of Annexation and Supplemental Restrictions for Green Trails Park Section Six (the "Supplemental Declaration") executed by Green Trails, Ltd., as Declarant, which liens (the "Liens") are comprised of (i) a vendor's lien reserved in that certain General Warranty Deed With Vendor's Lien dated effective October 31, 1991, executed by Barker Venture in favor of Declarant, filed for record under County Clerk's File No. N394722 in the Real Property Records of Harris County, Texas, and (ii) a lien granted in that certain Parcel Deed of Trust dated effective October 31, 1991, executed by Declarant to Thomas W. McBath, Trustee, filed for record under County Clerk's File No. N394723 in the Real Property Records of Harris County, Texas, securing payment of a certain \$ 900,852.26 Parcel Purchase Note of even date therewith payable to the order of Barker Venture and other indebtedness as described therein. Barker Venture, by its execution hereof, hereby consents to and subordinates its Liens to the Supplemental Declaration and all of the terms, covenants, conditions, and restrictions therein, and agrees that (i) a foreclosure of its liens will not terminate or entitle Barker Venture to terminate the Supplemental Declaration, and (ii) any sale, conveyance or transfer of any part of such Neighborhood at a foreclosure sale held pursuant to such Liens shall be subject to all terms, provisions, covenants, conditions and restrictions contained therein. Notwithstanding the foregoing, however, to the extent that any "Assessments" (as defined in the Original Declaration) are hereafter created or imposed upon the Neighborhood, Barker Venture expressly does not subordinate its Liens to the liens securing such Assessments to the extent such Assessment liens relate to Assessments that have accrued prior to foreclosure of Barker Venture's Liens; provided, however, that no foreclosure of Barker Venture's Liens with respect to any part of the Neighborhood that on the date of foreclosure is, or thereafter becomes, "Assessable Tracts" (as defined in the Original Declaration) shall relieve the purchaser thereof at foreclosure (or any subsequent "Owner" thereof) of responsibility to pay any such Assessments that may become due after such foreclosure, or from the Assessment liens available under the Original Declaration for the enforcement thereof.
