An outbuilding shall be placed so as not to be visible, or be minimally visible, from the street as determined by the Architectural Control Committee. It is intended that, unless otherwise specifically approved pursuant to Article IV hereof, only new construction shall be placed and erected on any Lot within the Property. No carports of any kind shall be built, placed, or constructed on any Lot.

(b) Garages. No garage shall ever be changed, altered or otherwise converted for any purpose inconsistent with the housing of a minimum of two (2) automobiles at all times. All Owners, their families, tenants and contract purchasers shall, to the greatest extent practicable, utilize such garages for the garaging of vehicles belonging to them.

(c) Exterior Wall. No residence shall have less than fifty-one (51) percent masonry construction on its exterior wall area. As used in this paragraph, the term

Detached garages may have wood siding of a type and design approved by the Architectural Control Committee.

(d) Roof Materials. Unless otherwise approved in accordance with the last sentence of this subsection (d), the roof of all buildings on the Property shall be constructed or covered with asphalt composition shingles or fiberglass composition shingles. The color of any composition shingles shall be of wood tone, earthtone or in harmony with earthtone and shall be subject to written approval by the Architectural Control Committee prior to installation. Any other type roofing material may be used only if approved in writing prior to installation by the Architectural Control Committee.

(e) Air Conditioners. No window or wall type air conditioners shall be permitted to be used, erected, placed, or maintained on or in any building or on any Lot, This restriction is not applicable to temporary accommodations in regard to normal activities required to construct and sell new homes in the Subdivision, if approved in writing by the Architectural Control Committee prior to installation or placement.

3.2 Minimum Square Footage Within Improvement. Each dwelling constructed on a Lot shall contain a minimum of one thousand (1,000) square feet of livable area, exclusive of open porches and garages.

The type of construction and the specifications for said ramps shall be as provided by the Harris County Engineering Department.

3.5 Location of the Improvements Upon the Lot. No building shall be located on any Lot nearer to the front line or nearer to the street side line than the minimum building setback line shown on the recorded Subdivision Plat or replat(s) thereof. Subject to the provisions of Section 3.6 below, no part of the house building or garage shall be located nearer than three (3) feet to an interior side Lot line or ten (10) feet to any exterior Lot line on a corner Lot. Unless otherwise approved in writing by the Architectural Control Committee, each main residential building shall face the front of the Lot. For the purpose hereof, the term "front Lot line" shall mean the property line of a Lot that is adjacent and continuous to a street or road shown on the Subdivision Plat, or if two or more property lines are adjacent to a street, the "front Lot line" shall be the property line adjacent to a street that has the shortest dimension, and the term "street side Lot line" shall mean and refer to all property lines of any Lots that are adjacent to a street

except the front Lot line, and the "interior side Lot line" shall mean and refer to all property lines other than the front Lot line and the street side Lot line. Unless otherwise approved in writing by the Architectural Control Committee, each main residential building shall face the front building line.

3.6 Composite Building Site. Subject to the approval of the Architectural Control Committee, any Owner of one or more adjoining Lots or portions thereof may consolidate or redivide such Lots or portions into one or more building sites with the privilege of placing or constructing improvements on such resulting sites, in which case the front footage at the building setback lines shall be measured from the resulting side property lines rather than from the Lot lines indicated on the recorded plats. Any such resulting building site must have a frontage at the building setback line of not less than forty (40) feet. If an Owner consolidates two or more adjoining Lots, each original Lot shall continue to be assessed for maintenance as provided in Article VII. If an Owner redivides a Lot, the resulting Lots shall be assessed for maintenance as provided in Article VII as if each resulting Lot were an original Lot.

3.7 Prohibition of Offensive Activities. No activity, whether for profit or not, shall be carried on any Lot which is not related to single family residential purposes. No noxious or offensive activity of any sort shall be permitted nor shall anything be done on any Lot which may be or become an annoyance or a nuisance to the neighborhood. This restriction is not applicable in regard to the normal sales activities required to sell new homes in the Subdivision and the lighting effects utilized to display the model homes.

3.8 Use of Temporary Structures. No structure of temporary character,

whether trailer, basement, tent, shack, garage, barn or other outbuilding shall be maintained or used on any Lot at any time as a residence, or for any other purpose, with the exception of lawn storage or children's playhouses which are constructed with prior express written consent of the Architectural Control Committee; provided, however, Declarant reserves the right to grant the exclusive right to erect, place and maintain such facilities in or upon any portions of the Lots or Reserves as in its sole discretion may be necessary or convenient while selling Lots, selling or constructing residences and constructing other improvements upon the Properties. Such facilities may include, but not necessarily be limited to, sales and construction offices, storage areas, model units, signs and portable toilet facilities. Garages, if used during the development phase or new home construction as a sales office, are permissible provided it is converted to a regular garage capable of housing a minimum of two (2) automobiles prior to conveyance for occupancy by an Owner.

3.9 Playhouses or Other Amenity Structures. Subject to Architectural Control Committee approval, a playhouse or fort style structure may be placed on a Lot. Such structure, limited to a maximum overall height of ten (10) feet from the ground to the highest point, is permitted only when the Lot is completely enclosed by fences in accordance with paragraph 3.13 and the structure is placed so that it is not visible, or be minimally visible, from any street, as determined by the Architectural Control Committee.

such Lot. No non-motorized vehicle, trailer, boat, marine craft, hovercraft, aircraft, machinery or equipment of any kind may be parked or stored on any part of any Lot, easement, right-of-way, or Common Area unless such object is concealed from public view inside a garage provided the doors may be closed and secured or other approved enclosure. Commercial vehicles, vehicles primarily used or designed for commercial purposes, tractors, or vehicles that exceed the passenger vehicle size above shall not be parked or stored on any part of any Lot, easement, right-of-way, or Common Area. No repair work, dismantling or assembling of motor vehicles or other machinery or equipment shall be done or permitted on any street, driveway or any portion of the Properties. No motor bikes, motorcycles, motor scooters, go carts or other similar vehicles shall be permitted to be operated in the Properties, if, in the sole judgment of the Board of Directors of the Association, such operation, by reason of noise or fumes emitted, or by reason of manner of use, shall constitute a nuisance or jeopardize the safety of the Owners, their tenants, and their families. The Board of the Association may adopt rules for the regulation of the admission and parking of vehicles within the Common Areas, including the assessment of charges to Owners who violate, or whose invitees violate, such rules. The Association shall have the authority to establish the amount of, and assess, a charge to any Owner for parking any prohibited vehicle on any (a) Lot other than his own, whether occupied or vacant, (b) easement, (c) right of way, or (d) Common Area. If a complaint is received about a violation of any part of this section, the Architectural Control Committee will, be the final authority on the matter. This restriction shall not apply to any vehicle, machinery, or maintenance equipment temporarily parked and in use for the construction, repair or maintenance of subdivision facilities or of a house or houses in the immediate vicinity.

All fences and walls shall be of wood construction or better. No chain link fence type construction will be permitted on any Lot.

3.14 Visual Obstruction at the Intersections of Public Streets. 3.15 Lot Maintenance. In the event of default on the part of the Owner or occupant of any Lot in observing any of the above requirements, such default continuing after ten (10) days' written notice thereof, being placed in the U. S. mail without the requirement of certification, Declarant or its assigns may without being under any duty to do so and without liability or trespass to the Owner or occupant, enter upon said Lot and cause to be cut such weeds and grass, and remove or cause to be removed such garbage, trash and rubbish, or do any other thing necessary to secure compliance with these restrictions so as to place said Lot in a neat, attractive, healthful and sanitary condition, and may reasonably charge the Owner or occupant of such Lot for the cost of the work. Said charges shall become an assessment against the Lot as provided in Article VII. Minimum standards are defined for any property wherein the grass exceeds the height of six (6) inches or wherein the Directors or their agent determines weeds not to be consistent with

the standard of surrounding properties. Further, Declarant or its assignee reserves the right to contract or arrange for regular garbage pick up service for the Lot Owners. Owners agree by purchase of the property to pay immediately for such work or service, the amount thereof shall be added to the annual maintenance assessment and become a charge thereon in the same manner as the regular annual maintenance charge provided for herein.

The electric company furnishing service shall make the necessary connections at said point of attachment and at the meter. Declarant has, either by designation on the plat of the subdivision or by separate instrument, granted necessary easements to the electric company providing for the installation, maintenance, and operation of its electric distribution system and has also granted to the various Owner's reciprocal easements providing for the access to the area occupied by and centered on the service wires of the various Owners to permit installation, repair and maintenance of each Owner's owned and installed service wire. In addition, the Owner of each Lot containing a single dwelling unit shall, at his own cost, furnish, install, own and maintain a meter loop (in accordance with the then current Standards and Specifications of the electric company furnishing service) for the location and installation of the meter of such electric company for each dwelling unit involved. Such approvals must be granted in writing. Any deviations granted must be in the spirit and intent of the welfare of the overall community.

3.22 No Liability. Neither Declarant, Board of Directors of the Association, nor the respective agents, employees and architects of each, shall be liable to any Owner or any other party for any loss, claim or demand asserted on account of the administration of these restrictions or the performance of the duties hereunder, or any failure or defect in such administration and performance. These restrictions can be altered or amended only as provided herein and no person is authorized to grant exceptions or make representations contrary to the intent of this Declaration. The acceptance of a deed to a residential Lot by the Owner in the subdivision shall be deemed a covenant and agreement on the part of the Owner, and the Owner's heirs, successors and assigns, that Declarant and the Board of Directors of the Association, as well as their agents, employees and architects, shall have no liability under this Declaration except for willful misdeeds.

3.23 Interpretation. If this Declaration or any word, clause, sentence, paragraph or other part thereof shall be susceptible of one or more conflicting interpretations, the

interpretation which is most nearly in accord with the general purposes and objectives of this Declaration shall govern and may be corrected or clarified by Declarant's preparation, execution and recording of a supplement to the Declaration.

ARTICLE IV
ARCHITECTURAL APPROVAL

4.1 Architectural Control Committee. "Architectural Control Committee" shall mean a committee of three (3) members who may or may not be members of the Association. All committee members shall be appointed and/or removed by Declarant, until the earlier of (a) the date the last Lot owned by Declarant is sold (except in connection with a conveyance to another party that is a successor to Declarant); or (b) such date as Declarant elects to discontinue such right by written notice to the Board of Directors. Thereafter, the Board of Directors of the Association shall have the right to appoint all members of the Architectural Control Committee. Committee members appointed by the Board of Directors may be removed at any time by the Board, and shall serve for such term as may be designated by the Board of Directors or until death, resignation or removal by the Board of Directors.

4.2 Approval of Improvements Required. Notwithstanding anything contained in the Declaration to the contrary, the approval of a majority of the members of the Architectural Control Committee shall be required for the construction of the initial dwelling unit on a Lot ("New Construction") and the approval of a majority of the Board of Directors of the Association, or the approval of any subcommittee appointed by the Board for such purpose, shall be required for any subsequent Improvement to Property following the construction of the initial dwelling unit on a Lot, ("Modification Construction"). After one hundred percent (100%) of the Lots have dwelling units constructed thereon, the

Architectural Control Committee appointed by the Board will then be in charge of approving all Improvements to Property. For purposes of this Article IV, the Board and the Architectural Control Committee are each sometimes referred to as the "Approval Entity".

4.3 Address of Approval Entity. The address of the Architectural Control Committee for "New Construction" shall be 7170 Cherry Park Drive, Houston, Texas 77095. The address of the Architectural Control Committee for "Modification Construction" shall be at the principal office of the Association, which is generally the management company address.

4.4 Submission of Plans. Before commencement of work to accomplish any proposed Improvement to Property, the Owner proposing to make such Improvement to Property shall submit to the proper Approval Entity copies of such descriptions, surveys, plot plans, drainage plans, elevation drawings, construction plans, specifications, and samples of materials and colors as the Approval Entity reasonably shall request, showing the nature, kind, shape, height, width, color, materials, and location of the proposed Improvement to Property, as may be more particularly described from time-to-time in any minimum construction standards and/or Architectural Guidelines adopted by the Board of Directors. The Approval Entity may require submission of additional plans, specifications, or other information before a decision can be given on a proposed application. If all requested materials are received by the Approval Entity within 30 days, the application is deemed received for consideration; otherwise the application is denied.

4.5 Criteria for Approval. The proper Approval Entity shall approve any proposed Improvement to Property only if it determines in its reasonable discretion that the Improvement to Property in the location indicated will not be detrimental to the surrounding areas of the Properties as a whole; that the appearance of the improvement will be in harmony with the surrounding areas, including, without limitation, quality and color of materials and location with respect to topography and finished grade elevation; that the improvement

will comply with the provisions of this Declaration and any applicable plat, ordinance, governmental rule, or regulation; that the improvement will not detract from the beauty, wholesomeness, and attractiveness of the Property or the enjoyment thereof by Owners; and that the upkeep and maintenance of the proposed improvement will not become a burden on the Association. Each Approval Entity is specifically granted the authority to disapprove proposed improvements because of the unique characteristics or configuration of the Lot on which the proposed improvement would otherwise be constructed, even though the same or a similar type of Improvement might or would be approved for construction on another Lot. The Approval Entity may condition its approval of any proposed improvement upon the making of such changes thereto as the Approval Entity may deem appropriate.

4.6 Architectural Guidelines. Each Approval Entity from time to time may supplement or amend the Architectural Guidelines. The Architectural Guidelines serve as a guideline only and an Approval Entity may impose other requirements in connection with its review of any proposed Improvements; provided, however, that such other requirements are not inconsistent with this Declaration.

4.7 Decision of Approval Entity. The decision of the Approval Entity shall be made within thirty (30) days after receipt by the proper Approval Entity of all materials required by the Approval Entity. The decision shall be in writing and, if the decision is not to approve a proposed Improvement to Property, the reasons shall be stated. The Owner is responsible under all circumstances to conform to the provisions of these restrictions in their entirety; no approval obtained as a result of failure to disclose pertinent any improvement that violates any provision of this Declaration or the Architectural Guidelines. The Approval Entity shall at all times retain the right to object to any improvement that violates any provision of this Declaration or the Architectural Guidelines.

4.8 Failure of Approval Entity to Act on Plans. In the event the Architectural

Control Committee fails to approve or to disapprove any Improvement to Property within thirty (30) days after the date of receipt of all required materials, the plans shall be deemed denied. Applicant may consult with the Architectural Control Committee as to the reason for denial and reapply with modification.

4.9 Prosecution of Work After Approval. After approval of any proposed Improvement to Property the proposed Improvement to Property shall be accomplished as promptly and diligently as possible and in strict conformity with the description of the proposed Improvement to Property in the materials submitted to the Approval Entity. Failure to complete the proposed Improvement to Property within thirty (30) days after the date of approval or such extension has been granted by the Approval Entity in writing) or to complete the Improvement to Property in strict conformity with the description and materials furnished to the Approval Entity, shall operate automatically to revoke the approval by the Approval Entity of the proposed Improvement to Property. No Improvement to Property shall be deemed completed until the exterior fascia and trim on the structure have been applied and finished and all construction materials and debris have been cleaned up and removed from the site and all rooms in the dwelling unit, other than attics, have been finished. Removal of materials and debris shall not take in excess of thirty (30) days following completion of the exterior.

4.10 Inspection of Work. The Approval Entity or its duly authorized representative shall have the right, not the obligation, to inspect any Improvement to Property before or after completion, provided that the right of inspection shall terminate once the Improvement to Property becomes occupied.

4.11 Notice of Noncompliance. If, as a result of inspections or otherwise, the Approval Entity finds that any Improvement to Property has been constructed or undertaken without obtaining the approval of the Approval Entity or has been completed other than in strict conformity with the description and materials furnished by the Owner to the Approval Entity or

has not been completed within the required time period after the date of approval by the Approval Entity, the Approval Entity shall notify the Owner in writing of the noncompliance (“Notice of Noncompliance”). The Notice of Noncompliance shall specify the particulars of the noncompliance and shall require the Owner to take such action as may be necessary to remedy the noncompliance within the period of time set forth therein.

4.12 Correction of Noncompliance. If the Approval Entity finds that a noncompliance continues to exist after such time within which the Owner was to remedy the noncompliance as set forth in the Notice of Noncompliance the Association may, at its option, but with no obligation to do so, (a) record a Notice of Deed Restriction Violation, against the Lot on which the noncompliance exists in the Office of the County Clerk of Harris County, Texas; (b) remove the noncomplying Improvement to Property without liability or trespass; and/or (c) otherwise remedy the noncompliance without liability or trespass (including, if applicable, completion of the Improvement in question), and if the Board elects to take any action with respect to such violation, the Owner shall reimburse the Association upon demand for all expenses incurred therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board may levy an assessment for such costs and expenses against the Owner of the Lot in question and such assessment will become a part of the assessment provided for in Article 7 hereof. The permissive (but not mandatory) right of the Association to remedy or remove any noncompliance (it being understood that no Owner may require the Association to take such action) shall be in addition to all other rights and remedies that the Association and Owners may have at law, in equity, under this Declaration, or otherwise.

4.13 No Implied Waiver or Estoppel. No action or failure to act by an Approval Entity shall constitute a waiver or estoppel with respect to future action by the Approval Entity with respect to any Improvement to Property. Specifically, the approval by the Approval Entity of any Improvement to Property shall not be deemed a waiver of

any right or an estoppel against withholding approval or consent for any similar Improvement to Property or any similar proposals, plans, specifications, or other materials submitted with respect to any other Improvement to Property by such person or otherwise.

4.14 Power to Grant Variances. Each Approval Entity may authorize variances from compliance with any of the provisions of Article III and Article IV of this Declaration including restrictions upon placement of structures, the time for completion of construction of any Improvement to Property, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic, environmental, or other relevant considerations may require. Such variances must be evidenced in writing and shall become effective when signed by at least a majority of the members of the Approval Entity. If any such variance is granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted; provided however, that the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance, nor shall the granting of any variance affect the jurisdiction of the Approval Entity other than with respect to the subject matter of the variance, nor shall the granting of a variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the Lot concerned.

4.15 Compensation of Architectural Control Committee. The members of the Architectural Control Committee shall be entitled to reimbursement by the Association for reasonable expenses incurred by them in the performance of their duties hereunder as the Board from time to time may authorize or approve.

4.16 Non-liability for Approval Entity Action. None of the members of the Architectural Control Committee, the Association, any member of the Board of Directors, Declarant, or managing agent shall be liable for any loss, damage, or injury connected with,

or arising out of, the performance of the duties of any Approval Entity except to the extent caused by the willful misconduct or bad faith of the party to be held liable. In reviewing any matter, the Approval Entity shall not be responsible for reviewing, nor shall its approval of an Improvement to Property be deemed approval of, the Improvement to Property from the standpoint of safety, whether structural or otherwise, or conformance with building codes, or other governmental laws or regulations. Furthermore, none of the members of the Architectural Control Committee, any member of the Board of Directors, or Declarant shall be personally liable for debts contracted for or otherwise incurred by the Association or for any torts committed by or on behalf of the Association, or for a tort of another of such individuals, whether such other individuals were acting on behalf of the Association, the Architectural Control Committee, the Board of Directors, or otherwise. Finally, neither Declarant, the Association, the Board, the Architectural Control Committee, or their officers, agents, members, or employees shall be liable for any incidental or consequential damages for failure to inspect any premises, Improvements, or portion thereof, or for failure to repair or maintain the same.

4.17 Construction Period Exception. During the course of actual construction of any permitted structure or Improvement to Property, and provided construction is proceeding with due diligence, the Approval Entity may temporarily suspend certain provisions of this Declaration as to the Lot upon which the construction is taking place to the extent necessary to permit such construction; provided, however, that during the course of any such construction, nothing shall be done that will result in a violation of any of the provisions of this Declaration upon completion of construction or that will constitute a nuisance or unreasonable interference with the use and enjoyment of other property within the Property.

4.18 Compliance with Procedures. Any contractor, subcontractor, agent, employee, or any other invitee of an Owner who fails to comply with the terms and provisions of

the guidelines and procedures of the Architectural Control Committee may be temporarily or permanently excluded by the Association from the Properties without liability to any person.

ARTICLE V

MEMBERSHIP AND VOTING RIGHTS

5.1 Membership and Voting Rights. Every Owner of a Lot that is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one vote for each Lot owned by an Owner.

5.2 Proper Mailing Address. Each Owner is required at all times to provide the Association with proper mailing information should it differ from the property address relative to ownership. Further, when an alternate address exists, Owner is required to render notice of tenant, if any, or agency, if any, involved in the management of said property. The Owner is required and obligated to maintain current information with the Association or its designated management company at all times.

5.3 Classes of Voting Membership. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member(s) shall be the Declarant or its successors and assigns to whom the right of Class B membership is expressly assigned in writing (with a copy of the written instrument making such assignment being delivered to the Association). Class B members shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) When the total votes outstanding in Class A membership equal the total votes outstanding in Class B membership; or

(b) January 1, 2025, or

(c) when, in its discretion, the Class "B" Member so determines.

The Class A and Class B members shall have no rights as such to vote as a class, except as required by the Texas Non-Profit Corporation Act, the Articles of Incorporation or the Bylaws of the Association or as herein provided, and both classes shall vote upon all matters as one group. Notwithstanding the prior provisions of Section 5.2 above, if additional property is made subject to the jurisdiction of the Association pursuant to a Supplemental Declaration such that Declarant owns more than ten percent (10%) of the total of all Lots, then Class B membership and this Section 5.2 shall be automatically reinstated ipso facto.

5.4 Non-Profit Corporation. WESTFIELD TERRA COMMUNITY

ASSOCIATION, INC., a non-profit corporation has been organized; and it shall be governed by its Articles of Incorporation and Bylaws. All duties, obligations, benefits, liens and rights hereunder in favor of the Association, shall be vested in said corporation. The Association, by a majority vote of the Board of Directors of the Association, shall have the authority to borrow money for the purpose of making capital improvements on property owned by the Association.

5.5 Bylaws. The Association may make and establish such rules or bylaws as it may choose to govern the organization and administration of the Association, provided, however, that such rules or bylaws are not in conflict with the terms and provisions hereof. The right and power to alter, amend or repeal the bylaws of the Association, or to adopt new bylaws is expressly reserved by and delegated by the Members of the Association to the Board of Directors of the Association.

5.6 Inspection of Records. The members of the Association shall have the right to inspect the books and records for the Association at reasonable times during the normal business hours by appointment.

ARTICLE VI PROPERTY RIGHTS

6.1 Owner's Easement of Enjoyment. Every Owner shall have a nonexclusive right and easement of use, access and enjoyment in and to the Common Area and common facilities, if any, which shall be appurtenant to and shall pass with the title to every Lot subject to the following provisions:

(a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Area.

(b) The right of the Association to suspend the voting rights and right to use the recreation facility by an Owner; to suspend any other service provided by the Association for an Owner for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed sixty (60) days for each infraction of its published rules and regulations, or breach of any provisions of the Declaration.

(c) The right of the Association to dedicate or transfer all or any part of the Common

Area, if any, to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by two-thirds (2/3) of each class of the members agreeing to such dedication or transfer has been recorded in the Official Public Records of Real Property of Harris County, Texas; provided, however, the Board of Directors by majority vote of the Board is authorized and empowered to cause the dedication and conveyance of utility easements for similar purposes without submitting such matter to a vote of the members, and to authorize any officer of the Association to execute the documents required for such dedication or conveyance.

(d) The right of the Association to collect and disburse those funds as set forth in Paragraph 7.1 .

(e) The right of the Board of Directors to adopt rules regulating the use enjoyment of the Common Area, including without limitation rules limiting the number of guests who may use the Common Area.

(f) The right of the Board of Director to impose fines for infraction of rules and regulations regarding the use and enjoyment of the Common Area.

(g) The right of the Board of Directors to hold any Owner liable for any damage to any portion of the Common Area caused by the negligence or willful misconduct of the Member or his family or guests.

6.2 Delegation of Use. Any Owner may delegate in accordance with the Bylaws the Owner's right of enjoyment to the Common Area and facilities, if any, to the members of the Owner's family, tenants or contract purchasers who occupy the residential dwelling of the Owner's Lot.

ARTICLE VII

MAINTENANCE ASSESSMENTS

7.1 Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot owned within the subdivision hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association; (1) annual assessment or charges, and (2) special assessments for capital improvements, and (3) other charges assessed against an Owner and his Lot as provided in any other Sections of this Declaration, such assessments and charges to be established and collected as herein provided. The annual and special assessments, as well as the other charges described in this Declaration, together with interest, collection costs and reasonable attorney's fees, shall be a charge on the Lot and shall be secured by a continuing lien upon the Lot against which each such assessment is made. Each such assessment and other charges, together with interest, collection costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due, and the personal obligation for delinquent assessments shall not pass to subsequent Owners of the concerned Lot unless expressly assumed in writing.

7.2 Purpose of Assessments. The assessments levied by the Association shall be used to promote the recreation, health, safety, and welfare of the residents in the Property, for the improvement, maintenance and management of any Common Area and Common Facilities of the Association as well as any esplanades or landscaped areas within street rights-of-way designated by the Board of Directors of the Association as being appropriate for maintenance by the Association, and to enable the Association to fulfill its responsibilities. The responsibilities of the Association shall include, but not be limited to, the maintenance and repair of the Common Area and Common Facilities, if any; constructing and maintaining parkways, green belts, detention areas, right-of-ways,

easements, esplanades, Common Areas, sidewalks, paths, and other public areas; construction and operations of all street lights; insecticide services; purchase and/or operating expenses of recreation areas, if any; payment of all legal and other expenses incurred in connection with the collection and enforcement of all charges, assessments, reasonable and necessary expenses in connection with the collection and administration of the maintenance charges and assessments; employing policemen and watchmen, and/or security service, if desired; caring for vacant Lots and doing other thing or things necessary or desirable in the opinion of the Board of Directors to keep the Lots neat and in good order, or which is considered of general benefit to the Owners or occupants of the Lots; and obtaining liability, workers compensation, property and Director and Officer liability insurance in amounts deemed proper by the Board of Directors of the Association. It is understood that the judgment of the Board of Directors in the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith. All Lots in the Property shall commence to bear their applicable maintenance fund assessment simultaneously from the date of conveyance of the first Lot by Declarant to a resident Owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. Lots that are or at any time have been occupied, shall be subject to the annual assessment determined by the Board of Directors according to the provisions of Section 7.3. Lots that are not and have never been occupied, and which are owned by Declarant, a builder or a building company shall be subject to an annual assessment equal to one-half (1/2) of the annual assessment applicable to occupied Lots. The rate of assessment for any calendar year for any individual Lot will change within that calendar year as the character of ownership and the status of occupancy changes, however, once any Lot has become subject to assessment at the full rate, it shall not thereafter revert to assessment at the lower rate.

7.3 Annual Assessment. The Annual Assessment shall be \$350.00 per Lot until January 1 of the year immediately following the conveyance of the first lot to an owner.

(a) Thereafter, the annual assessment may be increased each year by a majority vote Of the Board of Directors in any amount it deems necessary.

(b) Board of Directors shall fix the amount for each subsequent annual assessment at least thirty (30) days in advance of the annual assessment period, which shall begin on the first day of January of each year. Written notice of the annual assessment shall be sent to every owner subject thereto at the address of each lot or at such other address provided to the Association in writing pursuant to Section 5.1 of this Declaration. Maintenance fees are due on January 31 of that year. If for any reason the Board of Directors fails to fix the annual assessment for any year by December 2 of the preceding year, it shall be deemed that the annual assessment for such year will be the same as established for the preceding year, and such annual assessment shall continue unchanged until the Board of Directors establishes a new annual assessment in accord with the provisions hereof.

7.4 Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Board of Directors may levy, in any assessment year, a special assessment applicable to the current year only for the purpose of defraying, in whole or in part, the cost/of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided any such assessment shall have the approval of two-thirds (2/3) of the votes of those members of each class who are voting in person or by proxy at a meeting duly called for this purpose. Likewise, subject to the provisions of Section 7.5, the voting process for this action may also be handled by mail ballot as long as the ballots contain the name, property address, certification by the Secretary of the Association, alternate address of the member, if applicable, and the date and signature of the member. Ballots may be returned by U.S. mail in envelopes specifically marked as containing

ballots for the special election or may be collected by door to door canvas. Upon the levying of any Special Assessment pursuant to the provisions of this Section 7.4, the Association shall cause to be recorded in the Real Property Records of the Harris County Clerk's Office a sworn and acknowledged affidavit of the President (or any Vice President) and of the Secretary of the Association which shall certify, among other items that may be appropriate, the total number of each class of members as of the date of the voting, the quorum required, the number of each class of votes represented, the number of each class voting "for" and "against" the levy, the amount of the special assessment authorized, and the date by which the special assessment must be paid in order to avoid being delinquent.

7.5 Notice and Quorum for any Action Authorized in Paragraphs 7.3 and 7.4

Written notice of any meeting called for the purpose of taking any action authorized under Sections 7.3 and 7.4 shall be sent to all members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty (60) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. If the vote of the members is conducted by mail or door to door canvas, the approval of two-thirds (2/3) of the total membership of each class is required.

7.6 Effect of Nonpayment of Assessments. Any assessment, annual or special, or other charges assessed in accordance with Sections 3.15 and 4.1 not paid within thirty-one (31) days after its due date shall bear interest from the due date at a rate

of ten percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien herein retained against the Lot.

Interest, penalties, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge. In order to secure the payment of the assessments or charges hereby levied, a vendor's lien for the benefit of the Association shall be and is hereby reserved in the Deed from the Declarant to the purchaser of each Lot or portion thereof, which lien shall be enforceable through appropriate judicial proceedings by the Association.

In addition to foreclosing the lien hereby retained, in the event of nonpayment by any Owner, of such Owner's portion of any assessment, the Association may, acting through the Board, upon ten (10) days' prior written notice thereof to such nonpaying Owner, in addition to all other rights and remedies available at law or otherwise, restrict the right of such nonpaying Owner to use the Common Areas, if any, in such manner as the Association, deems fit or appropriate and/or suspend the voting rights of such nonpaying Owner so long as such default exists.

No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. In addition to the above rights, the Association shall have the right to refuse to provide the services of the Association to any Owner who is delinquent in the payment of the above-described assessments.

7.7 Subordination of the Lien to Mortgages. As hereinabove provided, the title to each Lot shall be subject to a vendor's lien securing the payment of assessments and charges due the Association, but said vendor's lien shall be subordinate to any valid purchase money lien or mortgage covering a Lot and any valid lien securing the cost of construction of home improvements. Sale or transfer of any Lot shall not affect the Association's vendor's lien.

However, the sale or transfer of any Lot which is subject to any valid purchase money lien or mortgage shall extinguish the Association's vendor's lien securing such assessment or charge only as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or the Owner thereof from liability for any charges or assessments thereafter becoming due or from the lien thereof.

7.8 Future Sections. The Association shall use the proceeds of the assessments for the use and benefit of all residents of the Property provided, however, that any additional property made a part of the Property by annexation under Section 8.6 of this Declaration, to be entitled to the benefit of this maintenance fund, must be impressed with and subjected to the annual maintenance charge and assessment on a uniform per Lot basis equivalent to the maintenance charge and assessment imposed hereby, and further, made subject to the jurisdiction of the Association.

ARTICLE VIII GENERAL PROVISIONS

8.1 Term. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association or the Owner of any land subject to this Declaration or any Supplemental Declaration, their respective legal representatives, heirs, successors and assigns, for an initial term of thirty (30) years from the date these covenants are recorded. During such initial term, the covenants and restrictions of this Declaration may be changed or terminated only by an instrument executed by the then Owners of seventy-five (75) percent of all the Lots within the Property, and properly recorded in the Official Public Records of Real Property of Harris County, Texas. Upon the expiration of such initial term, unless terminated as below

provided, said covenants and restrictions (as changed, if changed), and the enforcement rights relative thereto, shall be automatically extended for successive periods of ten (10) years each. During any such ten (10) year automatic extension period, the covenants and restrictions of this Declaration may be changed or terminated only by an instrument signed by the then Owners of not less than sixty-seven (67%) percent of all the Lots in the Property and properly recorded in the Official Public Records of Real Property of Harris County, Texas.

In addition, Declarant shall have the right from time-to-time, without consent of any other party so long as Declarant owns one Lot in the Association, to amend this Declaration by an instrument in writing duly signed, acknowledged, and filed for record in Harris County, Texas, for the purpose of correcting any typographical or grammatical error, ambiguity, or inconsistency appearing herein, or for the purpose of complying with any statute, regulation, ordinance, resolution, or order of any federal, state, county, or municipal governing body, or any agency or department thereof; provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Declaration and any Supplemental Declaration taken collectively and shall not impair or effect the vested rights of any Owner or mortgagee.

8.2 Enforcement. The Association, any Owner, or the Declarant, and their respective successors and assigns, shall have the right to enforce by a proceeding at law or in equity all easements, restrictions, conditions, covenants, reservations, liens charges now or hereafter imposed by the provisions of this Declaration and in connection therewith, shall be entitled to recover all reasonable collection costs and attorney's fees. Failure by the Association or by any other person entitled to enforce any covenant or restriction herein shall in no event be deemed a waiver of the right to do so thereafter. It

is hereby stipulated, the failure or refusal of any Owner or any occupant of a Lot to comply with the terms and provisions hereof would result in irreparable harm to other Owners, to Declarant and to the Association. Thus, the covenants, conditions, restrictions and provisions of this Declaration may not only be enforced by an action for damages at law, but also may be enforced by injunctive or other equitable relief (i.e., restraining orders and/or injunctions) by any court of competent jurisdiction, upon the proof of the existence of any violation or any attempted or threatened violation. Any exercise of discretionary authority by the Association concerning a covenant created by Declaration is presumed reasonable unless the court determines by a preponderance of the evidence the exercise of discretionary authority was arbitrary, capricious or inconsistent with the scheme of the development (i.e., the architectural approval or disapproval for similar renovations relative to a given location within the Property) The Association on its own behalf or through the efforts of its management company may initiate, defend or intervene in litigation or any administrative proceeding affecting the enforcement of a covenant created by this instrument or for the protection, preservation or operation of the Property covered by this Declaration. Notification will be deemed to have been given upon deposit of a letter in the U. S. mail addressed to the Owner alleged to be in violation. Any cost that has accrued to the Association pursuant to this Section shall be secured and collectable in the same manner as established herein for the security and collection of annual assessments as provided in Article VII.

8.3 Severability. Invalidation of anyone of these covenants by judgment or other court order shall in no way affect any of the other provisions which shall remain in full force and effect.

8.4 Interpretation. If this Declaration or any word, clause, sentence,

paragraph or other part thereof shall be susceptible of to more than one or conflicting interpretations, then the interpretation which is most nearly in accordance with the general purposes and objectives of this Declaration shall govern.

8.5 Omissions. If any punctuation, word, clause, sentence or provision necessary to give meaning, validity or effect to any other word, clause, sentence or provision appearing in this Declaration shall be omitted herefrom, then it is hereby declared that such omission was unintentional and that the omitted punctuation, word, clause, sentence or provision shall be supplied by inference.

8.6 Annexation. Additional residential property and "Common Area" may be annexed to the Properties:

(a) With the consent of two-thirds (2/3) of each Class of Members, or

(b) Notwithstanding anything contained in (a) above, additional land may be annexed

from time to time to WESTFIELD Terra Subdivision the Declarant, its successors or assigns, without

the consent of other Owners, or their mortgagees, within thirty (30) years of the date of recording of this Declaration of Covenants, Conditions and Restrictions. Also notwithstanding anything contained in (a) above, the Declarant, its successors or assigns, may annex Forest Village to another subdivision or subdivisions without the consent of other Owners, or their mortgages, within thirty (30) years of the date of recording of this Declaration of Covenants, Conditions and Restrictions.

(c) The annexation or addition may be accomplished by the execution and filing for record in the Real Property Records of Harris County, Texas by the owner of the property being added or annexed. Each such instrument evidencing the annexation of additional property shall describe the portion of the property comprising the Lots and Common Area, if any. Such "Supplemental Declaration" may contain such other provisions which are not inconsistent with the provisions of this Declaration of

Covenants, Conditions and Restrictions or the general scheme or plan of Westfield Terra as a residential development. Nothing in this Declaration shall be construed to represent or imply that Declarant, its successors or assigns, are under any obligation to add or annex additional property to this residential development;

(d) At such time as the "Supplemental Declaration" is filed for record as hereinabove provided, the annexation shall be deemed accomplished and the annexed area shall be a part of the properties and subject to each and all of the provisions of this Declaration of Covenants, Conditions and Restrictions and to the jurisdiction of the Association in the same manner and with the same force and effect as if such annexed property had been originally included in this Declaration of Covenants, Conditions and Restrictions as part of the original development.

(e) After additions or annexations are made to the development, all assessments collected by the Association from the Owners in the annexed areas shall be co-mingled with the assessments collected from all other Owners so that there shall be a common maintenance for the Properties.
