Such committee shall be appointed by the President of Thornwood Fund, Inc. at the meeting of the trustees next following the annual meeting and election of officers of the corporation.

3.02 No building, fence, wall, or other structure shall be commenced, erected, or maintained upon any Lot in the subdivision, nor shall any exterior addition to, or change or alteration therein, be made, including without limitation, changes in roofs and/or roofing materials, nor shall any substantial or material modification of landscaping of any Lot or Lots be undertaken, until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to, and approved in writing by, the Architectural Control Committee as to harmony of external design and location in relation to surrounding structures and topography.

3.03 In the event that any plans and specifications are submitted to the Architectural Control Committee as provided herein, and such Committee shall fail either to approve or reject such plans and specifications for a period of thirty days following such submission, approval by the Committee shall not be required, and full compliance with this Article shall be deemed to have been had. 5.03 Any single story residence constructed on said Lots must have a ground floor area of not less than 2,000 square feet, exclusive of open or screened porches, terraces, patios, driveways, carports, and garages. No side yards at the front building set back line shall be less than 5 feet. For the purpose of this covenant, eaves, steps, and open porches shall not be considered as a part of the building; provided, however, that this shall not be construed to permit any portion of the building on any Lot to encroach upon another Lot. 095-86-1782

5.15 No shrub or tree planting which obstructs sight lines at elevations between two and six feet above the roadway shall be planted or permitted to remain on any corner Lot within the triangular area formed by the curblines of such intersecting streets and a line connecting such curbline at points twenty-five feet from their intersection, or, in the case of a rounded corner, from the intersection of the curblines as extended. The same sight line limitations shall apply on any Lot within ten feet of the intersection of a street curbline and the edge of a driveway. No trees shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at a height of more than six feet above ground level.

5.16 Except as hereinafter provided, no truck, bus, camper, recreational vehicle, boat or trailer shall be left parked in the street in front of any Lot except for construction and repair equipment while a residence or residences are being built or repaired in the immediate vicinity, and no truck, bus, camper, recreational vehicle, boat, or trailer shall be parked on the driveway or any portion of the Lot in such a manner as to be visible from the street. Right of use for ingress and egress shall be had at all times over any dedicated easement, and for the installation, operation, maintenance, repair, or removal of any utility, together with the right to remove any obstruction that may be placed in such easement which would constitute interference with the use, maintenance, operation, or installation of such utility.

095-86-1784

6.02 An electric distribution system has been installed to serve all lots in the subdivision. The Owner of each Lot shall, at his own cost and expense, furnish, install, own, and maintain (all in accordance with the requirements of local governmental authorities and the National Electrical Code) a service cable and appurtenances from the meter installed upon the Lot by the electric company to such point as may be designated by such company on the property line of such Lot. The company furnishing electric service shall make the necessary connection at the property line and at the meter. Each Owner shall also install, furnish, own, and maintain at his own cost and expense a meter loop (in accordance with the then current standards and specifications of the electric company) for the residence constructed on the Lot. Such funds shall be used for the payment of expenses for maintenance, street lighting if such street lighting shall in the future be installed, fogging for insect control, caring for and watering transplanted trees on vacant lots, for back door garbage and rubbish pick-up, for security services, maintaining and repairing swimming pools and appurtenances thereto, maintaining and improving the parks and green belt areas within the subdivision, for enforcement of these restrictions, and doing any other things

095-86-1785

necessary or desirable, in the opinion of Thornwood Fund, Inc. to maintain or improve the property, or the subdivision, or that which is considered of benefit to the owners or occupants of this subdivision. The use of the maintenance charge money for any of these purposes is permissive and not mandatory and the decisions of the Thornwood Fund, Inc. shall be final, so long as made in good faith. No Owner may exempt himself or be exempted from the payment of the maintenance charge herein prescribed on the basis that he is not accepting or is not receiving the service or benefits described above. Thornwood Fund, Inc. shall have no obligation however, to provide any such service or benefit to Owners or to Lots for which the maintenance charge has not been paid. It is specifically provided by this instrument that a fee for the use of the swimming pools within the subdivisions may be charged by Thornwood Fund, Inc., which fee shall be in an amount set by the Trustees of Thornwood Fund, Inc. and which shall be in addition to and not in lieu of the maintenance assessment referred to herein. Such fee shall be charged only to those Owners who use the pools and appurtenances thereto.

7.03 Each owner of a Lot or Lots in Thornwood Section One shall by virtue of his ownership be a voting member of Thornwood Fund, Inc. at the annual meeting of the membership beginning with the annual meeting next following the execution and recording of these restrictions, or a special meeting called for that purpose. Each Owner as that term is defined in Article Two Section 2.01, above shall be entitled to one (1) vote whether or not such Owner is in fact more than one (1) natural person. The annual meeting of the members shall be held in the month of September with the first such annual meeting being in the month of September next following the execution and filing of this Declaration. The Board of Trustees shall submit to the membership a proposed budget for the succeeding year which budget shall detail the anticipated expenditures for the purposes described in paragraph 7.02 above and for such other purposes as may be deemed appropriate by Thornwood Fund, Inc. for the civic betterment or maintenance of Thornwood. The proposed budget shall be put to a vote and deemed adopted if approved by a majority of the members voting either in person or by proxy. If adopted, the budget shall form the basis for the annual maintenance charge referred to in paragraph 7.01 above. Each Owner and each residential Lot shall be assessed a pro rata share of the total amount budgeted such pro rata share being 1/388th of the total. Thornwood Fund, Inc. shall not expend or become

obligated to expend in any budget year any amount greater than the amount set forth in the budget approved and adopted by the membership. In the event the necessity for expenditures in excess of the amount approved by the members arises, or in the event of a necessity of an extraordinary expenditure arises, no such expenditure shall be made and no obligation shall be created therefore unless and until a revised or supplemental budget is submitted to the members at a special meeting called for that purpose and such revised or supplemental budget is approved by a majority of the membership voting either in person or by proxy. If such revised or supplemental budget is approved, a special assessment shall be made to each Owner.

095-86-1786

7.04 Each Owner of a residential Lot and/or at the option of Thornwood Fund, Inc., an agent of the Owner designated by the Owner to receive notice shall be notified in writing of the amount of the annual maintenance charge assessed or any special assessment. Such amount shall be due and payable in full on or before the thirtieth (30th) day after notification. All charges unpaid as of that time shall be deemed delinquent, a late charge in an amount determined by the Board of Trustees of Thornwood Fund, Inc. may be assessed on all such delinquent assessments.

7.05 The annual maintenance charge assessable against any Lot together with any late charges shall when due, constitute a lien against such Lot and the improvements thereon in favor of Thornwood Fund, Inc. Said lien shall be prior and superior to all other liens except (i) assessment liens and taxes due and unpaid against any Lot and/or the improvements thereon and (ii) payments due under bona fide purchase money mortgages duly recorded.

7.06 Thornwood Fund, Inc. may bring an action based on the debt against any owner who is obligated to pay the maintenance charge referred to above or to foreclose the lien herein established or both. In the event any such action is required, interest, costs, and reasonable attorneys fees shall be added to the assessment. Any such action shall be brought in the name of Thornwood Fund, Inc. and shall be for the common benefit of all Owners of Lots in Thornwood.

7.07 Any mortgagee, upon request, will be notified by Thornwood Fund, Inc. of any failure to pay the maintenance charge or any other breach of these restrictions by any Owner, at least thirty (30) days prior to the commencement of any action by Thornwood Fund, Inc.

ARTICLE EIGHT

8.01 Thornwood Fund, Inc. or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, and reservations now or hereafter imposed by the provisions of this instrument. Failure to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

8.02 Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision, and all other provisions shall remain in full force and effect.

8.03 The covenants, conditions, and restrictions of this instrument shall run with the land, and shall inure to the benefit of, and be enforceable by, the undersigned or the Owner of any Lot subject to this instrument and their respective legal representatives, heirs, successors, and assigns, and, unless amended as provided herein, shall be effective for a term of twenty (20) years from the date this instrument is recorded, after which time said covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years. The covenants, conditions, and restrictions of this instrument may be amended during the first twenty (20) year period or during any succeeding ten (10) year period, by an instrument in writing signed by not less than 51% of the Lot Owners. No amendment shall be effective unless filed in the Real Property Records of Harris County, Texas, nor until the approval of any governmental regulatory body which is required shall have been obtained.

ARTICLE NINE

9.01 This instrument is executed by the undersigned, constituting a majority of the Owners of Lots in Thornwood Section One as a declaration of restrictions and covenants governing property and lots in Thornwood, Section One.
